FUN ON THURSDAY NIGHTS:

KidsFirst Bible Classes at Kids 4 Christ

At 6 PM every Thursday, kids from all over LaFayette come to KidsFirst Bible Class.

During KidsFirst kids get a full meal, have outside play time, and have fun with each other as they learn about the Bible, about God, and about God's plans for their lives.

KidsFirst is for kids age 3 (potty trained) through 8th grade. K4C can send a bus to pick up any child inside LaFayette - parents of kids who want to go can call K4C at 706 639 3234 by 4:30 on Thursday nights.

K4C is open for drop-off kids on Thursdays at 5:30. Before 5:30 there aren't enough adults to watch kids and give every child something to do, so please don't leave your child at K4C before then.

Kids 4 Christ Busses & Bus Routes

K4C runs busses every Thursday to pick up kids and take them home, but did you know K4C actually has *three* busses?

Kids 4 Christ vehicles are a short yellow school bus, a white church bus, and a white van. Any of those three could come for your child on a Thursday.

Routes change every week to make room for new kids, so **the bus could come at any time between 5 and 6** on Thursdays.

K4C also runs a bus on other days for Cool After School. If you see K4C out on another night, it's for CAS kids - not KidsFirst.

KidsKash Reward Points

Kids earn KidsKash points during every K4C activity. KidsKash is given during KidsFirst for attendance, bringing a Bible (older kids only), behavior, and participation. Cool After School students get KidsKash for attendance, behavior, and homework.

KidsKash isn't real money, but it has real value - the first Thursday of every month the K4C Treasure Store is open so kids can spend their Kash on things like candy, toys, shirts, DS games - even an iPod, or Wii.

Students can earn an extra KidsKash by bringing this page to class signed by an adult.

Kids 4 Christ Cool After School

THE ONLY FREE AFTER-SCHOOL ACADEMIC PROGRAM IN WALKER COUNTY

Kids can fall behind in school for a number of reasons - when they do it can be hard to catch up without extra help schools can't always provide.

Cool After School at Kids 4 Christ is a daily after school program helping kids catch up on school by assisting them with homework and giving extra teaching to fill in gaps of what they've missed during class.

Cool After School is completely free and open to children in 1st-5th grade from Gilbert or North LaFayette. CAS follows the school schedule, open on days when school meets and closed on snow days, early dismissal days, and breaks. This year CAS begins Tuesday Sept. 6th.

A low student to teacher ratio helps make Cool After School effective but also limits how many kids can be in the program. To be in CAS, students have to fill out an application and be placed on a waiting list. When seats open, K4C chooses kids off that list based on their needs, behavior, and age.

Parents must register their children before they can attend CAS and registration doesn't guarantee inclusion. Applications for Cool After School can be picked up at the K4C office or downloaded online at www.k4c.info/cas/.

Achiever's Award Outings

Every three months, K4C rewards achiever kids with fun trips. To be an achiever, students must miss no more than one night of Kids-First during a quarter. Kids who miss more than one night can buy trips with KidsKash.

This fall K4C will be taking achievers to a hayride at the Loughridge Farm. Information about that trip will be sent in October.

Home Visits & Paperwork

In recent months K4C's Terry Kinsey has been visiting kids' homes. The visits are to make contact with parents we don't know well and check if families have any needs.

Terry is also asking parents to fill out paperwork. Those forms are for K4C insurance and help kids stay safe by getting information about allergies and health conditions along with emergency contact information.

Kids 4 Christ does **not** share personal information from these forms with any outside group, church, or business.
